- The right of survivorship – when one of you dies, the survivors automatically take his or her interest;

You indemnify us in relation to any loss or damage you or any other person suffers as a consequence of not directly receiving notices or information under these terms, except to the extent that the loss or damage is caused by our fraud, negligence or wilful misconduct (including that of our officers, employees, contractors or agents).
- 13.2. You indemnify us in relation to any loss or damage you or any other person suffers because of instructions given to us in connection with the Facility, any acts or omissions of you or your Broker or the way we administer the Facility, except where the loss or damage results from our fraud, negligence or wilful misconduct (including that of our officers, employees, contractors or agents).

You will receive notice personally, or by advertisement in the national or local media as provided in the Notification of Change Table below. The period of notice we will provide is set out in the Notification of Change Table below.
- 14.3. Where permitted by law, we may give you a notice period that is shorter than set out in the Notification of Change Table below, or no notice, of an unfavourable change if we reasonably consider urgent action is necessary to avoid or reduce a material increase in our credit, security, regulatory or reputational risk or an immediate or material financial risk.
- 14.4. You may choose to close your Facility due to a change made by us under this clause. An early redemption interest adjustment and an Early Redemption fee may still apply in accordance with Clause 10 of these Terms and Conditions.

15. Other Terms and Conditions

15.1 In some circumstances, if the law allows it, we may pay commission to your Broker. You should check with your Broker about how your Broker will be remunerated.

15.2 Taxation consequences – Interest earned on a Facility is income and may be subject to income tax. When you apply for a facility we will ask for your Tax File Number or exemption. You are not obliged to provide this, however if you do not, we are obliged to deduct withholding tax from any interest you earn at the highest marginal taxation rate. For overseas residents, withholding tax may apply even though you have quoted us your Tax File Number. Business facilities and charities will only need to quote your ABN instead of your Tax File Number. Your Tax File Number will be kept in accordance with the strict guidelines of the Privacy Act.

15.3 Interest – Information on current interest rates, fees and charges is available on request.

15.4 Safeguarding payment instruments – You should keep payment instruments, including credit cards and cheque books safe and secure. If we issue you with any payment instruments you must report any loss, theft or misuse to us promptly in the way set out in the terms of use we issue for the payment instruments. If you do not, you may be liable to us for loss that arises from their loss, theft or misuse, to the extent set out in the terms of use we issue for the payment instruments.

15.5 Set off – In order for us to protect our legitimate business interests and acting reasonably, we reserve the right to apply any of your deposit, whether matured or not, in or towards satisfaction of any amount due to us.
